

Purchase Vehicles With Confidence

At U-Trade, we pride ourselves on giving our users the best experience when purchasing ex-U-Drive vehicles. This is why we have created a trade-only platform that gives you everything you need to make the right decision about purchasing your next vehicle.

In-Depth Videos & Pictures

We are **transparent** about the condition of our vehicles. **Videos and pictures** of all our vehicles are available.

Vehicle Inspection

A downloadable **Inspection PDF** is available for all our vehicles, giving you everything you need to make a decision.

Condition Grading

All our vehicles are graded on our **Condition Grading** scale for both the **exterior and interior condition** of the vehicle.

Maintained Vehicles

Most of our vehicles are from **U-Drive's** fleet which has been **managed and maintained** by an **in-house** team of experts.

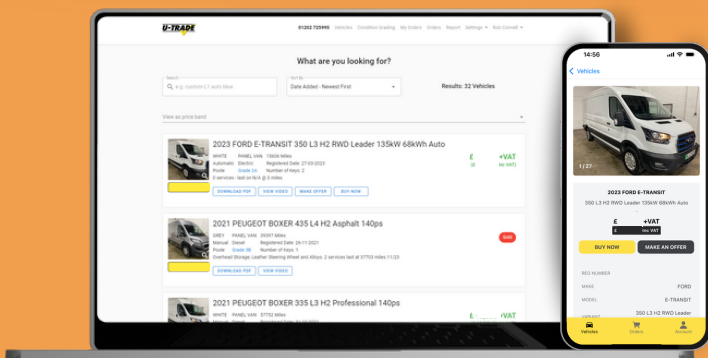

Add Your Logo & Price Margin

Thanks to our **White Label** and **Price Margin** features, you can add your logo and resale prices to our platform, and show potential customers your new stock without needing to purchase first.

It's FREE!

We don't charge a fee to use any part of our platform. Instead, we ensure U-Trade is used by both **franchise dealers** and **independent traders**.
